

Voice of Hope Pregnancy & Family Center

2023 Corporate Event Sponsor

Voice of Hope Pregnancy & Family Center is a Christian based, non-profit, pro-life organization that works to help women make the life choice by providing a loving judgement free environment, resources, education, and one on one mentoring designed to offset the anxieties caused by unexpected parenting.

Our objective is to help parents regardless if their pregnancies are planned or unplanned. We achieve this effort by partnering with families and community agencies such as children services, WIC, Help Me Grow, and other like-minded organizations to develop a support program that best fits each family situation. We believe parenting begins at the moment of conception and lasts throughout the life of both parent and child. The value of families and parenting needs to be restored in our culture, and Voice of Hope Pregnancy & Family Center aims to do just that.

Since 1988 we have operated this mission on funds provided by churches, individual donors, business donors, and the fundraising events (listed on the side). There are four Voice of Hope Pregnancy & Family centers in Ohio serving Crawford, Marion, Hardin and Wyandot Counties. Together, all centers function on a little more than \$200,000 per year.

The fundraising events account for \$70,000 of the budgeted income. Voice of Hope partners with local businesses and churches to insure all proceeds raised at events will go DIRECTLY to the ministry of saving lives and strengthening families.

I would like to invite your organization to partner with Voice of Hope as a Corporate Event Sponsor by underwriting these fundraising events for 2023. In exchange for your partnership, your organization will have honorable mention throughout the year. Included in this packet are six sponsor levels to choose from.

I hope to work with you this year as we continue our mission of saving lives and strengthening families! If you are interested in becoming a 2023 Corporate Event Sponsor, please complete the last page and send it to our main office. Payment arrangements can be made for a later date if needed. If you would like more information, I would love to meet with you to explain more in depth the mission of this ministry and the Corporate Sponsorship Program.

Sincerely,

Barbara Mills

Executive Director
